SENIOR CERTIFICATE EXAMINATIONS/ NATIONAL SENIOR CERTIFICATE EXAMINATIONS

ECONOMICS P1

MAY/JUNE 2024

MARKS: 150

TIME: 2 hours

This question paper consists of 13 pages.

INSTRUCTIONS AND INFORMATION

1. Answer FOUR questions as follows in the ANSWER BOOK:

SECTION A: COMPULSORY
SECTION B: Answer TWO of the three questions.
SECTION C: Answer ONE of the two questions.
2. Answer only the required number of questions. Answers in excess of the required number will NOT be marked.
3. Number the answers correctly according to the numbering system used in this question paper.
4. Write the question number above each answer.
5. Read the questions carefully.
6. Start EACH question on a NEW page.
7. Leave 2–3 lines between subsections of questions.
8. Answer the questions in full sentences and ensure that the format, content and context of your responses comply with the cognitive requirements of the questions.
9. Use only black or blue ink.
10. You may use a non-programmable pocket calculator.
11. Write neatly and legibly.

SECTION A (COMPULSORY)**QUESTION 1****30 MARKS – 20 MINUTES**

1.1 Various options are provided as possible answers to the following questions. Choose the answer and write only the letter (A–D) next to the question numbers (1.1.1 to 1.1.8) in the ANSWER BOOK, e.g. 1.1.9 D

1.1.1 When calculating gross domestic expenditure (GDE), errors and omissions are accounted for by the ...

- A market price.
- B residual item.
- C basic price.

2.2.5 How can an increase in interest rates influence households in the circular flow? (2 x 2) (4)

- 2.3 Study the extract below and answer the questions that follow.

**THE PRIVATISATION AND RESTRUCTURING PROGRAMME
IN SOUTH AFRICA**

The South African approach to privatisation has been one of restructuring of state-owned enterprises (SOEs). The goals of restructuring have been to reduce government borrowing requirements and to extend private ownership to historically disadvantaged groups.

However, little has been achieved as restructuring efforts have been slow and reluctant.

| | | [40] |

QUESTION 3: ECONOMIC PURSUITS**40 MARKS – 30 MINUTES**

3.1 Answer the following questions.

3.1.1 Name any TWO redress policies in South Africa. (2 x 1) (2)

3.1.2 How can import substitution promote industrialisation? (1 x 2) (2)

3.2 Study the extract below and answer the questions that follow.

EFFECTS OF DUMPING

Dumping involves substantial export volumes of products and it often endangers the financial viability of manufacturers or producers in importing countries.

The biggest disadvantage of dumping is the ability to flood a market with product prices that are often considered unfair. Therefore, countries use tariffs and quotas to protect their domestic producers from dumping.

[Adapted from <https://www.investopedia.com>]

3.2.1 Identify a form of tax imposed on imports in the extract above. (1)

3.2.2 Name the international trade policy that protects local producers from unfair foreign competition. (1)

3.2.3 Briefly describe the term *import quota*. (2)

3.2.4 Explain the role of the World Trade Organisation (WTO) in promoting free trade. (2)

3.2.5 How can dumping impact on consumers in the importing country?
(2 x 2) (4)

3.3 Study the map below and answer the questions that follow.

[Source: www.google.com]

- | | | |
|-------|--|-------------------------------|
| 3.3.1 | Identify the letter that represents developed countries in the map above. | (1) |
| 3.3.2 | Name ONE aspect (element) related to the standards of living. | (1) |
| 3.3.3 | Briefly describe the concept <i>North-South divide</i> . | (2) |
| 3.3.4 | How can economic activities in the north impact on the environment? | (2) |
| 3.3.5 | Explain the challenges faced by developing countries when trading with developed countries. | (2 x 2)
(4) |
